On August 16, 2020 we are planning on re-starting our Sunday Morning Bible Studies! We are excited!

Things will look a little different, but that can be good. We will be flexible and keep our focus on the Lord and serving Him. There will be Bible Study for all ages, nursery through adults. Our start time won't change – we'll meet at 9:00 a.m.

For more information or to find a class, please call Frank Lane @ 903.658.2509.

The worship center class and the classes in the gym are available for those who might wish to be in a larger room.

## CHILDREN'S MINISTRY

The children's ministry has been reimagined for the security and safety of our children.

All children from birth through fifth grade will enter and exit through the doors near the office area. There is a new check-in system in the new children's welcome area by the church offices.

Children and adults will have their temperature taken before going to class.

Nursery and chapel is available for children birth through preschool during our morning worship service.

Adults will no longer be able to walk through the children's ministry area. This is for the safety and security of our children.

## STUDENT MINISTRY

### STUDENT MINISTRY

The student ministry will continue to meet at the student center.

The students will be grouped so that the numbers of students best utilizes the space allocated for them.

Since the remodel of the student center, the rooms are better sized along with a larger assembly area which should allow the students to better distance from one another.
