### **CODE OF CONDUCT**

#### **Rules to Be Followed:**

1. No Pranks allowed. We are to treat each other with respect. We are not at anytime allowed to touch someone else's person or belongings without permission from that person.
2. Swimming: you must wear a cover to and from the swimming area.
3. You will attend all scheduled functions and be on time. *(Example: late night is required attendance, so even if you are tired, you will be in that service. Exceptions are only cleared by Bro. Keith.)*
4. You should not be in the dorms alone.
5. Camp has a “no electronic device” policy. (I am encouraging students to be electronic-free for a week...I know this will be difficult.) If you bring cell phones, they need to be put away unless permission is given by cabin sponsor for you to have them out. There is only VERY limited reception for phone use anyway.
6. All church leaders will be respected, and their instructions will be followed. If unsure, ask Bro. Keith.
7. Modest dress is required. Follow school guidelines, and you will be fine. If you dress inappropriately, you will be asked to change.
8. Don't skip meals - you will regret it!

**You are expected to follow these rules. If you choose NOT to follow the rules, your parents may be required to travel to camp in Arkansas and take you home at their own expense.**
