

WEEK 5 Community Group Discussion Guide

THE AUTHORITY OF JESUS

Ice-Breaker

- What is the worst storm you've ever been in?
- What is an answer to prayer that still amazes you?

Discussion

- In light of the sermon, what are your thoughts about the authority of Jesus over creation?
- Have you ever tried to put God in a box? When did you realize that He wouldn't fit?

Read LUKE 8:22-25

- What was the reaction of the disciples to the storm?
- What is the difference between believing in spite of circumstances, and obeying in spite of feelings and consequences?
- Which storms has Jesus led you INTO? How did he demonstrate that he was present with you in the midst of that storm?

Application:

- In what situations do I tend to slide back into unbelief? What will I ask God to do to help me combat this tendency?
- What can I trust about God's character even when my own character falters?
